

Industry's Most Complete Solution for *Wire Fraud Protection*

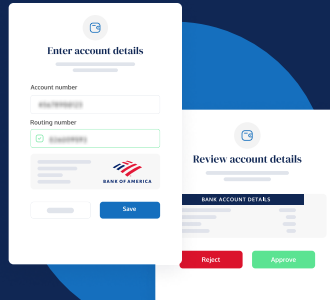

Learn how CertifID helps you address the **three major vectors** of fraud in real estate closings:

PROTECTING Buyers

The average buyer has limited experience in wiring funds securely.

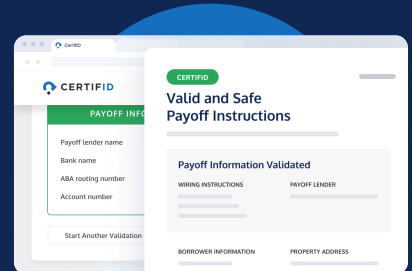

- ✓ Send wire instructions with CertifID to limit your liability as a title company
- ✓ No apps to download or passwords for your buyer to remember

PROTECTING Sellers

Sellers want their proceeds fast and friction-free so they can move on.

- ✓ Verify the identity of sellers to enable secure sharing of banking information
- ✓ Eliminate manual processes like voided checks, disbursement forms, and callbacks

PROTECTING Payoffs

These transactions pose high reward for fraudsters, and high risk for you.

- ✓ ~2 mins to complete
+95% verification rate
Peace of mind
- ✓ Eliminate call backs and costly overnight checks to lenders

LLOYD'S

All wires verified through CertifID insured up to \$1M via Lloyd's of London.
