National Due Diligence Services

A Division of American Surveying & Mapping, Inc.

**NDDS** has been a recognized leader in ALTA/NSPS Land Surveying for over 20 years. Our team of professional licensed surveyors and project managers work with commercial real estate experts all across the country and internationally. Experience allows us to guide our clients through complex single sites as well as multi-site, multi-state projects of all types. When you order an NDDS survey, you will receive immediate access to your survey professional, exceptional customer service, expedient turn-around time, and it will always come in a standardized format with a color drawing.
