

titleLOOK® HAS REDEFINED COMMITMENT REPORTS. SEE WHAT THE NEW INDUSTRY STANDARD CAN DO FOR YOU.

HYPERLINK PDF REPORTS

titleLOOK® automatically hyperlinks your final prelim and commitment reports.

SUMMARY REPORT

The report summary is presented front-and-center, digitally.

WORKS WITH YOUR PROCESS

Don't worry about integration. If you produce PDF or Word Docs, titleLOOK® works. It's that easy.

MOBILE RESPONSIVENESS

titleLOOK® presents a polished look branded for you that looks great on any device.

ONLINE EXCEPTION SUMMARY

Exceptions are color-coded and easily digestible. They expand to provide more information.

CLOUD STORAGE

The final report and supporting documents are stored online and can also be downloaded.

SEE WHY THE INDUSTRY'S TOP COMPANIES CHOOSE titleLOOK® FOR THEIR DIGITAL TITLE NEEDS.

REVIEW

Automatically create your title review summary

- Leverage codebooks for knowledge
- Reduce turntimes
- Improve your customer experience

HYPERLINK

Automatically hyperlink your prelim and commitment reports.

- Decrease costs and production time
- Eliminate a processing step
- QC features improve accuracy

PUBLISH

Publish your commitment in a modern LOOK

- User-friendly and mobile-responsive
- All documents available online
- Alerts to flagged exceptions

BRANDED FOR YOU

titleLOOK® is your tool, branded for your company. Upload your logo, color scheme and code book to put our product to work for **your** business.

INDUSTRY MIDDLEWARE

titleLOOK® uses any PDF or DOC that you export, matches it against your own codebook or your underwriter's codebook to provide the industry's first knowledge exchange of all clearance tasks, title grades, version histories, and even educational tips for employees and customers alike.
