

Savings for people employed in:
Real Estate Finance
Insurance Legal

Opportunity in three areas that will benefit your organization.

1. **Savings for the business:** Next step would be an introduction to someone in your purchasing / finance organization involved with spend such as overnight shipping, supplies, IT, wireless, copiers, and more...
2. **Savings for employees:** We have an employee web site that would allow you to share these discounts with employees. Possible introduction to HR? We can coordinate an email to all employees and instructions.
3. **Marketing Program for your sales team:** If comfortable, then we can arrange training so we can walk you through how you might promote this as a value added program for your customers.
