

PREFERRED PRICING PROGRAM FOR FNTG AGENTS

Data Security - ALTA Best Practice Pillar No. 3 Pre-Certification

We are pleased to offer an easy to implement Pre-Certification package specific to the Real Estate Title and Settlement Industry. This Pre-certification process is cost-effective yet comprehensive, with minimal disruption to your business operations. We provide you with all the tools and resources to become *Privacy Smart™*.

This first of its kind service, is offered exclusively through the industry-leading data security Compliance Solution provider, Real Estate Data Shield, Inc. Real Estate Data Shield has partnered with Security Compliance Associates (SCA), a company specializing in on-site and off-site information security assessments and certifications. These components enable you to meet the unique compliance mandates of your regulators, lender clients and trade associations.

The Pre-Certification package includes:

- ALTA Pillar No. 3 compliance review
- Review of appropriate Policy & Procedure documentation
- Review of pertinent system configurations
- Test employee awareness and information security training effectiveness
- Physical Security policy and check list analysis
- External Vulnerability Assessment / Penetration Testing:
 - Find Live hosts to target
 - Test IDS/IPS vendor response
 - Test target IP addresses for vulnerabilities and create Proof of Concept (POC) for vulnerabilities found

PREFERRED FNTG PRICING:

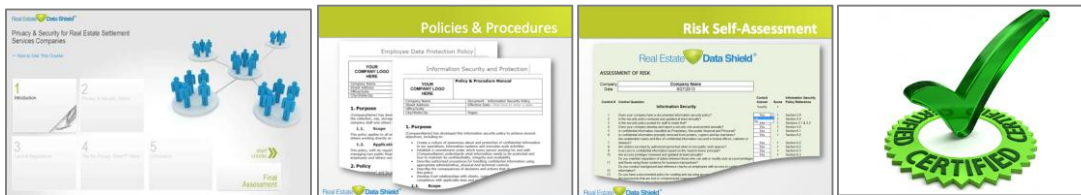

1-10 PERSON COMPANY (PRE-CERTIFICATION)	TOTAL: \$2,000 (\$500 savings)
11-50 PERSON COMPANY (PRE-CERTIFICATION)	TOTAL: \$2,500 (\$500 savings)
50+ PERSON COMPANY (PRE-CERTIFICATION)	TOTAL: \$3,000 (\$500 savings)
