

Are your clients right for TitleTap?

Questions to ask them or questions they may ask you

1. Is their website secure in order to protect NPI?

2. Is their website mobile-friendly? (Business and SEO benefits)

Looks good on mobile

Not mobile-friendly
(pinch and zoom)

3. Have they mentioned incorporating video or social media?

4. Is their website out of the 1990s? Are they happy with their existing website?
