As a leader in the real estate digital closing transformation, Pavaso® empowers title companies and real estate attorneys to deliver fully digital and hybrid eClosings through one secure collaborative platform that streamlines the entire closing process.

Gain process improvements throughout pre-closing, closing and post-closing:
- reduce errors and trailing documents
- complete real estate closings in as little as 15 minutes
- deliver wet-signed documents faster to permissible parties
- reduce repetitive tasks with automation

Customers have the ability to review closing documents and information ahead of the settlement, anytime, anywhere

Facilitate real estate loan closings and cash closings

Standardize your closings experience, with safeguards to ensure all digital signatures are captured

- eDelivery | eSign | eNotary* | RON*
- eClose | eNote | eVault
- Each closing has its own audit log to track actions performed
- Auto-generated email notifications provide status updates throughout the transaction
- Secure document delivery and communication features can eliminate the need for email exchanges
- Designed to follow E-SIGN, UETA and MISMO standards

Pavaso makes no express or implied warranty respecting the information presented and assumes no responsibility of or errors or omissions. *Due to state law or regulation or both, electronic notarization and remote online notarization are not available in all areas.
Times are changing and so are the expectations of the real estate closing process. In today’s digital world, Pavaso helps your customers avoid getting lost in the paperwork and enjoy a closing that can be completed in as little as 15 minutes.

AN OUTSTANDING CLOSING EXPERIENCE WITH PAVASO

➤ **eClosing Technology**
   Easy, convenient, and fast. A digital process that's simply better.

➤ **Empowerment**
   Let your customers feel they are in the driver’s seat with the ability to review all documents prior to closing, anywhere, anytime.

➤ **Preparation**
   Help to relieve the anxiety often associated with a closing through tools that deliver information on the closing process.

➤ **Education**
   Ability for you to deliver a centralized educational library, where educational material can be linked directly into corresponding documents.

➤ **Collaboration**
   Secure document delivery and communication features allow for the exchange of information and documents with all permissible parties involved in the closing.

PAVASO, SIMPLY BETTER
Fast, modern and convenient. One secure, collaborative portal for Lenders, Title and Customers.

STONE AGE PROCESS
Cumbersome, disconnected, labor-intensive, costly, overwhelming and time-consuming with potential for human error.
