

Finally, a way to automate your opening packages.

We automatically send your Opening Packages and safely return them to your escrow file.

Signed, Sealed,
DELIVERED

Safe

Secure transmission of the complete opening package, including wiring instructions, using the latest in end-to-end encryption.

Simple

Our proprietary system guides buyers and sellers through the review, completion & signature of the opening documents.

Automated

Integrated with most of the industry's popular escrow systems, **preDOCS** will deliver documents and data back to your escrow file seamlessly.

For more information or to schedule a demo, contact:

Jim Adams **916.316.0985** or via email jadams@nextdeal.us

preDOCS is a product of NextDeal, the only technology provider that consistently delivers repeat business to the title industry.
